Loyd explained that this was more of an informational meeting as Carol Cowling, CPA was our guest speaker who was here to explain and answer any questions about the B&O Tax Incentive Credit. Loyd introduced the Board members who were present, and turned the program over to Carol.

Carol explained who is eligible to use the Tax Credit, and handed out a short summary of who would be eligible to use the credit and a few facts about the credit.

Lisa agreed to call an acquaintance at the Douglas County PUD to find out who to speak to regarding them helping us hang the lights on the tree downtown.

Meeting adjourned: 5:05 pm.

Respectfully submitted,

Lisa Davies, Secretary
